

WAKEFIELD
Interfaith Food Pantry 
helping our neighbors in need

Fall 2017

Dear Friends,

As we enter the fall, New Englanders embrace the seasonal changes that we expect- school buses, cool mornings and falling leaves. One thing that never changes is the need that some of our residents experience every day- food insecurity. Since 1982 the **Wakefield Interfaith Food Pantry** has worked to meet those needs.

This could not be possible without the generosity of the Wakefield Community. You have continually supported this effort to help your neighbors. Your neighbors in need include senior citizens, the unemployed, those facing medical issues and multi-generational families. Last year, we served over 572 households distributing over 17,710 bags of necessary food.

The **Wakefield Interfaith Food Pantry** and its clients are thankful for your continued generosity. Please consider helping us once again in our effort to meet these needs. Thank you for your continued and future support.

How can you help your neighbors? Your financial assistance helps the Wakefield Interfaith Food Pantry to continue its mission. Your donation allows us to utilize the bulk purchasing power of **The Greater Boston Food Bank**. For every \$1 collected the WIFP is able to purchase \$4 in food at the GBFB.

For your convenience you may now donate using **PayPal**. Please visit our website www.wifoodpantry.org to make a donation now.

Please partner with us to **End Food Insecurity in Wakefield** with your donation.

Many thanks for your continued support!

Return this form with donation to: Wakefield Interfaith Food Pantry, PO Box 1624, Wakefield MA, 01880
