WMGLD Now Accepts Discover for Payments

(Wakefield, MA) – The Wakefield Municipal Gas & Light Department’s (WMGLD) credit card payment options are better than ever!

Customers are now able to use Discover card along with Visa and MasterCard to pay their WMGLD bill by credit card. Customers can use their credit or debit card with credit card capabilities when making their payments at the WMGLD office or by phone, when setting up automatic payments, and online at the department’s website accessed through the WMGLD website www.wmgld.com.

“This is a great option for those customers who prefer to use a Discover card for payments and purchases,” WMGLD General Manager Pete Dion said. “Several customers asked if we would accept this credit card, and we were happy to make the necessary changes to accommodate their needs.”

Although the credit card payment option is convenient and easy to use, it is only one of the many ways customers can pay their bill each month, according to the General Manager. The popular direct payment option is still available, and payments can also be made by check or money order when making payments by mail or in person.

The WMGLD online payment option, introduced in August 2011, also allows customers to view their account information, including usage and payment history.

For information about the new Discover Card option, or any of the accepted methods of payment, please call the WMGLD business office at 781-246-6363, send an email to cwsupport@wmgld.com, or visit the website at www.wmgld.com.
